Greetings from the Administrator

Welcome to 2017!

December was a very busy month for the Home. In addition to our regular volunteers, it was great to see so many people from this community - from individual and group carolers, to local organizations, Churches, to Lt. Governor Byron Mallot and his wife, Toni, to our Central Office staff, friends, and family - thanks for making December a very special one for the JPH residents.

As many of you already know, the Juneau Pioneer Home has a Foundation. On January 16, 2017, I had my first meeting (for this year) with them. It was great to re-connect with the JPHF officers and members and to thank them once again for their continued support. More information about JPHF will be in our next month's issue.

January also signals the start of the legislative season. Help me pray that this year will be a positive one for the Alaska Pioneer Homes Program.

Thanks,

Gina :=)
